THE BEST OF TIMES  
BY STUX

Tonight's the night we'll make history,  
Honey you and I  
'Cause I'll take any risk to tie back the hands of time  
And stay with you here tonight.  
I know you feel these are the worst of times  
I do believe it's true,  
When people lock their doors and hide inside  
Rumor has it it's the end of paradise.  
But I know if the world just passes by  
I wouldn't have the time.

The headlines read these are the worst of times,  
I do believe it's true.  
I feel so helpless, like a boat against the tide.  
I wish the summer wind could bring back paradise.  
But I know if the world just passes by  
You'd always be around.

The Best of Times are when I'm alone with you  
Some rain, some shine, we'll make this a world for two  
Our memories of yesterday will last a life time  
We'll take the best, forget the rest,  
And someday we'll find . . .

These are the Best of Times

If You Can Love Your Heart When All About You  
Are Doing Things And Saying It On You  
You Can Trust Indeed. When All Men Doubt You  
But Make Accusations For Your Doubting Too.  
You Can Wait And Not Be Tired By Waiting.  
Or Stand And Alone Don't Deal In Lies.  
Or Be Ready To Meet Any Way To Hatred  
And Not Doubt Your Own And Not Talk Too Much.

If You Can Dream And Not Make Dreams Your Master.  
If You Can Think And Not Make Thoughts Your Aim  
If You Can Meet With Trouble And Disaster  
And Treat These Two Distresses Just The Same.  
If You Can Hear The Heart The Truth You've Spoken  
Twisted By Others To Make A Trap For Feet  
Or Watch The Changes In Your Life To Broken  
And Stoop And Bend The Top With Water And Tools.

If You Can Make One Hour Of All Your Warnings  
And Risk It Or Get Tired Of Pain And Toss  
And Lose. And Start Again At Your Repentance  
And Never Breathe A Word About Your Loss

If You Can Jerce Your Heart And Nerve And Sinew  
To Serve Your Turn Long After They Are Gone.  
And So Hold On When There Is Nothing In You  
Except The Will Which Says To Them: "Hold On!"

If You Can Talk With Crowds And Keep Your Virtue.  
Or Walk With Kings And Not Lose The Common Touch  
If Neither Foes Nor Loving Friends Can Hurt You  
If All Men Count With You But You Say Much  
If You Can Fill The Unfathomable Minute  
With Such Seconds Worth Of Distance Run  
Years Is The Earth And See Every That's In It  
And Which Is Here. When A Man Has Seen

CLASS

The class of 1982 started off the year by winning the Spirit Chain Contest, and the Powder Puff game. They then took second place in "Anything Goes" and then won the prize for bringing in the most cans during the Can Drive.

The Freshman Class, under the guidance of Miss Mason, planned many fund raisers such as selling calendars, holding bake sales and selling mugs. The money earned has been used to purchase something beneficial to the school. The remaining funds were saved for their Junior & Senior Prom.

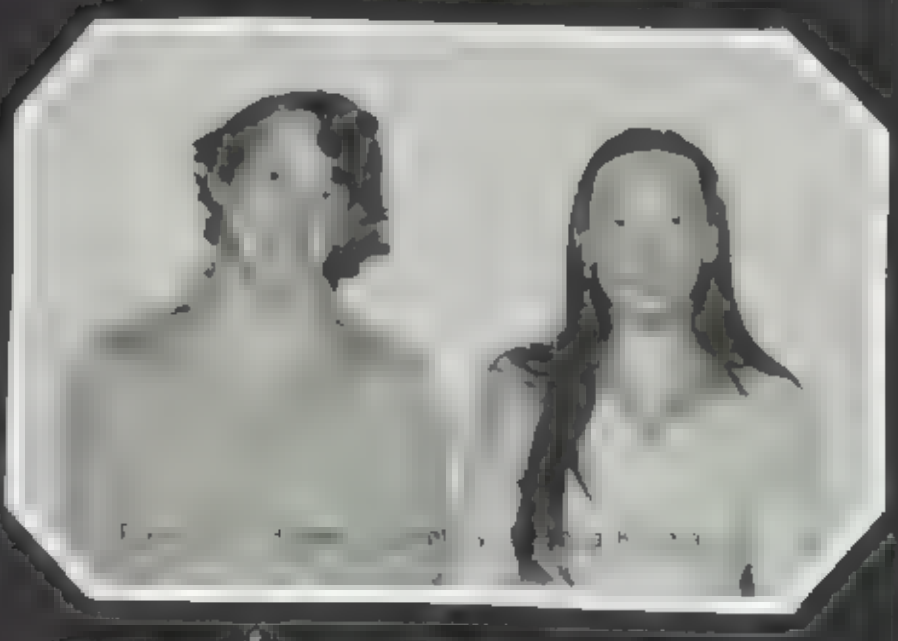

# Freshman Class

Adviser Miss Mason

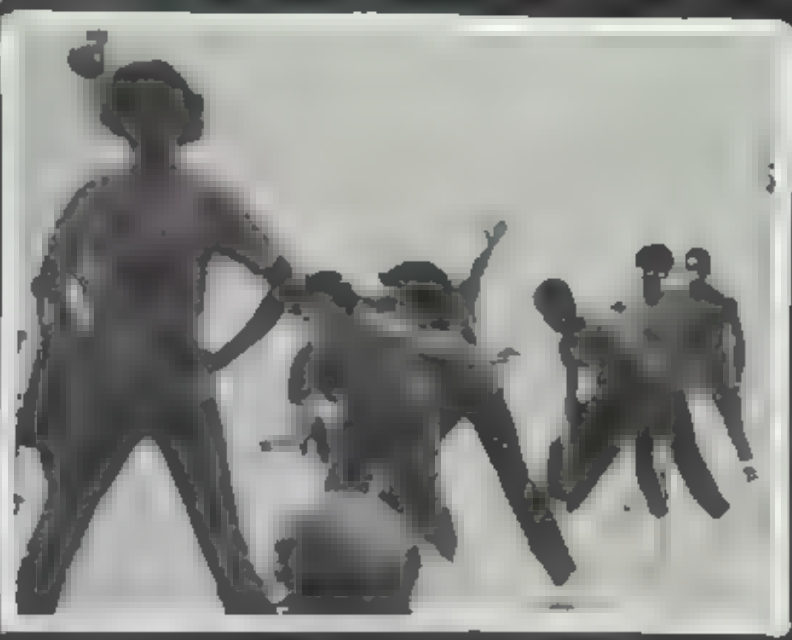

Under the guidance of Miss Vicky Williams, the Sophomore Class had a prosperous year. The club's primary goal was to raise enough money to help finance their Junior-Senior Prom. Funds were raised by holding bake sales after school, and selling candy.

This year the preppy look was still in with fashions such "IZOD", Oxford shirts, and docksiders, but a new fashion struck JHS which resembled the New Wave. Surf styles and GQ styles also played a big role. Guys & Gals cowboy boots were numerous

Important political events included Anwar Sadat's assassination, and the Poland difficulties. An exquisite Royal Wedding also took place

Designer jeans were in Vogue, hard rock, punk rock, and disco were all popular, and the "Baltimore Colts" just couldn't get it together The 1981-1982 year proved to be unique in many aspects. # the J. U. CHEERLEADERS!

Through the years  
I have seen many  
of the cheerleaders  
who have made  
a difference in the  
lives of the students  
and the school.

Life is full of ups and downs  
Cheerleading is an art  
An honor to share  
Regarded as a privilege to  
be a cheerleader every  
day.

It is a great honor  
to be a cheerleader  
and to represent the school.

Realizing the work it takes  
Helping others to share the joy  
Of working together as one  
Showing the importance of never giving up  
And always being proud of the position you hold  
Caring about your team  
Facing a world full of opportunity  
That is what cheerleading means.

Winter Addition Liz Ellis

The 1981-82 cheerleaders had a very successful season. The Winter Season tryouts added three new faces; Linda Solomon, Liz Ellis, and Debbie Cotton. Both squads displayed a lot of spirit and enthusiasm at sports' events and pep rallies. A great amount of devotion and hard work is what made both cheerleading squads so successful

This year's Men's Varsity Volleyball team bumped its way to a second place showing with an 8-2 record. Three returning starters formed the team's strong backbone while many capable newcomers filled out the rest of the Mariner squad. The team finished only behind a tough first-place C. Milton Wright squad.

Although this season on the whole has been a disappointment, strong performances have been turned in by many swimmers, especially seniors Mary McDermott, Mark Lojek, and Duane Tudahl. The team is encouraged by several new and promising swimmers — Scott Offermann, Bill Larney, Lisa Onorato, and Tony Bathurst. Under the leadership of veteran swimmers Mike York, Jan Koehnlein, and Richie LaLiberte, the team hopes to do well next year.

*Those were the days my friend,  
We thought they'd never end.  
We'd sing and dance forever and a day.  
We'd live the life we'd choose,  
We'd fight and never lose.  
Those were the days, Oh Yes, those were the days*
